Contributions or gifts to AFSCME PEOPLE are not deductible as charitable contributions for federal income tax purposes. AFSCME PEOPLE makes contributions and expenditures in connection with federal elections. AFSCME PEOPLE accepts contributions only from members of AFSCME and their immediate families. Members and their families may refuse to contribute without any reprisal. Although entry in the PEOPLE All Together Fun Run requires at least a \$100 contribution, in general an individual is free to contribute more or less, AFSCME members and their household family members may pledge to donate a flat amount regardless of completed miles or designate a pledged amount for every mile completed. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year.
